

Lolo Waldron | Junior Front End Web Developer

Plainview, NY | 845-625-3735 | lolo@lolocodes.com | www.lolocodes.com | [LinkedIn](#)

DEVELOPER PROJECTS

Guess the Word Game: Word game where players try to guess words one letter at a time within an allotted number of guesses.

Tools used: React, JSX, Components

GitHub Repo Gallery: Uses data pulled from GitHub's API to create a gallery of GitHub repos.

Tools used: JavaScript, REST API

Unplugged Retreat: A multi-page responsive website. Adapts to mobile, tablet, and desktop.

Tools used: HTML5, CSS3, FlexBox, Photoshop

WORK EXPERIENCE

Lead Caption/Subtitle Editor/Reviewer (Remote) Stanfordville, NY
Video Caption Corporation (VICAPS) 2010 - Present

- Creates polished closed captioning and subtitling products for high-profile clients including Amazon, Netflix, and Disney
- Reviews outgoing films, television shows, advertisements, educational and corporate films, etc., to ensure accuracy, delivering constructive feedback to teammates when required
- Collaborates across 5 teams (editors, reviewers, production, sales, and upper management) to ensure high quality deliverables that attract and retain clients
- Troubleshoots and corrects technical glitches within projects, cutting lost time by 10% and preserving timelines
- Handles 15+ projects weekly, pivoting quickly between tasks and distilling large amounts of information on tight deadlines
